Why pay rent when you can own your home? This question has probably been in your mind before. We are here to show you how you can own your home for less than rent. We have a plan whereby we can place you in possession of a home of your choice and give ten, fitteen, twenty or thirty years in which to pay for it. For particulars address. EQUITABLE HOME ASSOCIATION, 601 Burlington building

To Whom It May Concern—This certifies that I am the holder of a property contract in the EQUITABLE HOME ASSOCIATION for \$1.850 on twenty-year term. That in February, 1993, the said association purchased for me, under my contract, a home at Kansas City, Kas, and gave me possession of it. I am paying each month on my contract \$2.35, which is a credit on my home, and I pay \$3.51 each month as interest on its purchase price, or it may be considered as rent.

I am well satisfied with my contract, and it is giving me a home much cheaper and to a far greater and way and the same to the form of the association a good one for a man to save his money and secure a home, and that the men in charge of it are reliable and understand their business. Very respectfully. MRS. ANNA SCHRAMM.

Dry Goods.

New York, Feb. 19.—in the dry-goods market no general weakness is observable, and yet, where there are stock goods on hand, they can be obtained at slight concessions. Manufacturers, however, will undoubtedly use every effort to prevent any precession in prices, and will be aided in this by the fact that no stocks of moment are in first hands. Haltimore buyers have taken a number of odd lots of goods to-day.
